Sir:

AMENDMENT UNDER RULE 312

Please amend the Specification of the above-identified patent application as follows:

Page 5, line 2, change "Fig. 1 illustrates" to --Figs. 1a and 1b illustrate--.

REMARKS

On January 19, 1996, after the issue fee had been paid on the above-identified patent application, a Notice of Drawing Requirements was issued on the above-identified patent application requiring that Fig. 1 of the drawings be renumbered as Fig. 1A and Fig. 1B. Lower case letters were used rather than upper case to be consistent with other drawings. It is therefore respectfully requested that the above Amendment be entered in the Specification to make the Specification consistent with the amended drawings.
